Here's another great dessert.

Stawberries with Cointreau :

1 punnet strawberries 2 large oranges 3 passionfruit 1/4 cup sugar 2 tablespoons water 3 tablespoons Cointreau 300ml caton cream Wash and hull strawberries; peel and segment oranges, reserve any orange juice; remove pulp from passionfruit. Combine all fruit with Cointreau, add reserved orange juice, cover, refrigerate. Combine sugar and water in saucepan, stir over heat until sugar is dissolved, bring to boil, remove from the heat, cool. Add to fruit mixture, cover, refrigerate until ready to serve. Top with whipped cream.
