How nice is this to start a meal.

Baby Stuffed Potatoes with Caviar
as a Starter.

You'll Need:

12 baby potatoes (baked until cooked)
124gms cream cheese
50gms fresh chopped herbs
100gms salmon caviar

Directions :

Take each potato, cut the top off and remove the inside and place into a bowl. Add fresh chopped herbs, cream cheese and mix well. Spoon the mix back into the potatoes and top with the salmon caviar
