Hi Turralong, like you the KB had no reply to the museum about the book, but the other day I was having a look at who has been looking at the Kb and found another gentleman who had been thinking about the word Yuma and Youma the bread, well he had put it into google and found your book on the Kirkcaldy Book, so word is getting around and people are looking at the book, thanks to your kindness. Looking forward to hearing from you. Ann.
