Hamish, I see you have fallen victim yourself.

Could you please consider reducing the severity of your filters that keep censoring our posts. The Green #OOPS#atoo Restaurant was a very popular and well respected venue in Kdy and will cause offence to absolutely no one. Likewise Ann's cat eyeing up the #OOPS#atiels is totally harmless (unless it catches one).

Of course, I #OOPS#ume that such control is in your power, otherwise maybe you could ask an #OOPS#ociate to #OOPS#ist you with the task before the #OOPS#ault on our senses drives us all to take a holiday in S#OOPS#horpe.
