UPDATE: Games - May 01 05

=====

For those that are inclined, there is now a Members only Chess game available where you can play each other by arrangement or challenge, or play a game against yourself. It's a 'real' game set up and is best suited to those who already enjoy a good joust. Access from the Main Menu.

We'll also have a nice graphic/3d board version shortly for those who prefer a more casual approach.
