Hi Janice, hope the weather is still good and you are enjoying the summer. How is the cat ? I bet he loves the sun as well. The weather here today is crisp but bright sunshine no clouds, the kind of day for a walk. I hope Marjorie has good weather as well, and has had a good run to Kirkcaldy. How is your garden these days Janice?, we have had some rain and that has helped keep the plants going, we have daffodils out already so when spring comes we will have none. ■■■
not that we can't enjoy them anytime. Ann ■■■
