Thanks Hamish. I tried out the new gallery with some 3yr old photos. Yes I succeeded, but not without problems. I will e-mail you the details.

The 13 pictures now added to the gallery were taken in Sydney in July 2002 during a 3-day stopover.

I have recently taken some views of the new harbour developments in Kirkcaldy. I will post these once I have done some computer processing on them. That may take a while because some friends from Tasmania are arriving this afternoon and staying for a month.
