Hi all, just catching up, what a mixture of weather as usual here in the uk, a tornado no less, in Birmingham, and quite a lot of damage too, never know what to wear these days when going out. I have just got rid of my car at the weekend as I have my bus pass and don't go very far these days really, so I gave it to my son who gave it to me in the first place. have had a visit from a couple of friends from Australia and spent an afternoon catching up, others due later this month. had my 2 year old granddaughter Sarah for the weekend, this is a photo of her (on the left)and my Great-Granddaughter Aimee, taken a few weeks ago in the supermarket
