Who are those pretty pretty girls, they look great Betty, I bet your are proud of them. I have been trying to see what is in the background if it is strawberries or tomtoes in the boxes. I would take some photos to show you the shops here but we are not allowed to take pictures any more just in case you are a terrorist. I may be able to get some from a newspaper. Glad you posted those nice pics. thank you for sharing them with us Betty.
