Glad the sun was shinning for them, the photos are wonderful Betty, what a nice place to have the wedding and they look so happy. My brother was married in the kilt and so was his son and it really looked so good. It was very nice of you to share them with us Betty and pass on my good wishes to them for a long and happy life. It is some thing we miss over here as we do not have many family to shre thing with and it was so good to have our visitors from home to share things with the more the merrier. Ann
