Some updates and new bits for registered members to play with..

'Fife from Space'

This is a Kirkcaldy Book web site version of Google Maps . You can travel the world by zooming in and out and see close up satellite pics of where you live..

'Ma Auld School'

This will be a meeting place where you might get lucky and find that old school chum you've been thinking about. While we add all the school info, if you want us to include your school and don't see it yet, let us know.

'Internet Speed Test'

Amuse yourself [briefly] by testing the speed of your Internet connection.

All the games in the Fun & Games section work now [will be adding some more soon]

more to come...
