Hi Pete, my pleasure to help someone from the langtoun, since I live on the other side of the world it is sometimes hard to get updated information, but I love doing it and have found lots of people I went to school with over 60 years ago. We have a member who takes great photos which are on the site and it makes me feel like I am not so far away. My Grandson leaves for Scotland on the 22nd June, he plays the pipes and it is the school pipe band he is going with, they get to play at Edinburgh Castle and lots of other places as well. He will have his 16th Birthday on the plane, so you might say he will be flying high for his 16th Birthday. Ann
